THE HISTORY OF THE LOCAL CHAPTER

The local Vacaville Chapter of the S.P.E.B.S.Q.S.A. Inc had its beginning several years ago. On February 27, 1968, the years of daydreaming of a local chapter began to become a reality. Prospective members had been contacted months before, and all of the proper International leadership of the Society had been informed. On June 2, 1968, the local chapter had enough participants to become a licensed functioning group.

A director had been hired and the first objective was to stage a barber shop show. During the period from June through January, the prime goal has been to have 35 dues paying members in order that the chapter could become a fully chartered and participating member of the SPEBSQSA Inc.

During this period the chorus has sung before Junior Chamber of Commerce, the Chamber of Commerce, Markham PTA, Rotary Club, and the Mayor's Conference held at the Nut Tree. The group has also sung for the Upper Solano Association for Retarded Children.

The quartet of the local chapter, the What Fours, has sung for the Dixon May Fair, the Soroptimist Club, Dixon Chapter of Eastern Star, Dixon Rotary and the Vacaville Saturday Club.

The goal for this chapter is to reach a membership of 50 to 60 men from all of the communities in Upper Solano County.

Although the name of the Society implies quartet emphasis, it is our desire to make it clear that the choruses in the SPEBSQSA Inc. are the back-bone and from these choruses voluntarily emerge the fine quartets of the Society.

To find out if you would enjoy participating in a hobby of singing, even if you are a "shower Caruso", a cordial invitation is extended to you to join us in song every Tuesday evening from 7:30 to 9:30 p.m. at Willis Jepson Junior High School Chorus Room as our guest.

THE BEGINNING OF THE SOCIETY

"In the age of Dictators and Government control" . . . is when our society first appeared on the horizon. The year was 1938—just thirty years ago! The founders were Owen Cash, an attorney and his friend, Rupert Hall, an investment banker, both from Tulsa, Oklahoma. That which started out as almost a joke has mushroomed into an International Organization with over 30,000 members. This includes 675 choruses making it the largest organized all-male singing society in the whole world. Many of us will remember that in 1938 it was the time of multi-initiated governmental agencies in the United States—and it is easy to recognize the 'tongue-in-cheek' humor in our long title and initials. Thus the name—The Society for the Preservation and Encouragement of Barber Shop Quartet Singing in America—or the initials S.P.E.B. S.Q.S.A.

THE VILLAINS

As the name implies, the Villains are a zany foursome, specializing in depicting good old days' four-part harmony, heart-rending sagas of distressed maidens in despair.

The four dastardly blackguards, costumed in flowing black capes, top hats, long black moustaches and beady eyes, also have worked magic into their act.

Bill Pauley is his name and to some of us, he is Mr. Barbershopper himself. Bill has been in the Society for nine years. He has attended the Society's training course for directors, was the director in the hey-day of the Vallejo Chorus, was a member of the then great quartet known as the Barbary Coasters. Bill lives in Vallejo and is a rigging supervisor at Mare Island. Like all directors he can sing all four parts (not at one time though). We in the local chorus feel very fortunate to have a man like Bill as our Director. Not many brand new choruses start off with such a knowledgeable and competent director. We are proud of Bill and invite every man who would like to learn how to sing, especially this type of music, to come and sing under the leadership of a true Barbershopper like our Bill Pauley.

WHO CAN BE A MEMBER

One factor contributing to the Society's fast growth was the knowledge that a man does not have to be musically trained to join the organization. The S.P.E.B.S.Q.S.A. welcomes into its membership men of good character, young and old, from every walk of life, who truly desire to be a part of a chord of music.

DO YOU LIKE TO SING ?

Are you a 'bathtub baritone' . . or tenor or bass? When you listen to the quartets and chorus singing, have you ever had the idea that it would be great fun if you could join in? Well, you can! This is the way most of us got started in this wonderful hobby—by hearing some of these groups and getting the urge to try it personally. The Society for the Preservation and Encouragement of Barber Shop Quartet Singing in America, Inc., is primarily a fun organization, devoted to the promotion of that old American institution, Barbershop Harmony. As our founder, Owen Cash, put it: "This is one of the few types of recreation left to man that isn't taxed or government regulated in any way. So, if you would like to try your voice with the local chapter in good harmony, you are cordially invited to attend our chorus rehearsal and blend with us in song. The Vacaville Chapter meets every Tuesday night at 7:30 p.m. in the music room at the Willis Jepson Jr. High School on Elder Street.
